A beginning class designed to teach strip sewing techniques for making quilts quickly and easily by machine. This course will not apply to the Associate Degree.

Lab Hours: 54.0

Transfer: Not transferable

AHOM 075.1 Machine Quilting II (0.0 Units)

A continuation of Machine Quilting I for those who desire more complicated patterns of quilts by machine. This course will not apply to the Associate Degree.

Lab Hours: 54.0

Transfer: Not transferable

Program Learning Outcomes

Program Learning Outcomes (PLOs) are statements of the kind of learning a program hopes a student will achieve. The PLOs describe the knowledge, skills, problem-solving, communication and values that apply to all certificates and/or degrees within that program.

Upon completion of this program, students should be able to:

1. Critically evaluate the processes, identify, and implement the technical skills necessary in quality apparel construction.
2. Critically evaluate the processes, identify, and implement the technical skills necessary in quality textile measurement and production.
