

AMERICAN SIGN LANGUAGE CERTIFICATE OF ACHIEVEMENT

State Control Number: 42092

Program Code: ASL.AMSI.CA

Program Length: 34 months

Approved for Federal Financial Aid: Yes

The American Sign Language (ASL) Certificate of Achievement is offered as preparation for developing linguistic competency in ASL and readiness for entering a formal Interpreter Training Program. This Certificate may also be used as an added skill as a direct service provider: instructional assistant, social worker, speech pathologist, etc. The Certificate is designed to show proficiency of the use of American Sign Language for personal communication, knowledge of American Deaf Culture and introductory knowledge of American Sign Language interpreting and other professions that work alongside or within the Deaf Community. While students will not be able to act as an interpreter, they will be able to communicate directly with clients, customers, coworkers, or community members without the need for interpretation.
