

# CONSTRUCTION TECHNOLOGY, AS

---

**State Control Number:** 07564

**Program Code:** COTE.AS

**Program Length:** 24 months

**Approved for Federal Financial Aid:** Yes

The Construction Technology program provides preparation for a wide variety of positions in the construction field as a contractor, supervisor, building inspector or tradesperson. The program offers the opportunity to be self-employed and the pride and satisfaction of creating and building with your own hands.

To earn this degree, complete the major coursework with “C” grades or better and all of the following graduation requirements:

- 60 minimum degree-applicable units (including a maximum 4 units of activity) and 12 degree-applicable units through VVC;
- the VVC General Education pattern (<https://catalog.vvc.edu/degrees-certificates/vvcge/#vvcge>);
- Information Competency; Global Citizenship; Kinesiology; and
- 2.0 minimum overall degree-applicable GPA.

Courses may be double-counted in the major and in a general education category. Courses counted in one AA/AS major may not be used in another AA/AS major.
