

GUIDANCE

The Counseling faculty are committed to helping students achieve their educational and career goals. Guidance courses help student clarify academic, career, and personal goals. These courses are also designed to evaluate and identify strategies, attitudes, and behaviors that contribute to a student's overall success in college and in life.

Students can use the information below as a guide to identify which course(s) will best serve their needs.

Course	Recommendation
GUID 50	This course is for non-transfer students, students in high school, and students just starting their college journey, to help them build college success strategies and understand college culture.
GUID 51	This course orients non-transfer students, students in high school, and students just starting their college journey to VVC's policies, procedures, and support programs.
GUID 66	This course trains Peer Advisors. Students should reach out to the Director of EOPS for additional information.
GUID 81	This course is intended for high school students and begins the career exploration process focusing on self-awareness, skills identification, and exploring personal values and interests.

Course	Recommendation
GUID 82	This course is intended for high school students to continue the career exploration process focusing on decision making, major exploration, and career and job market research.
GUID 101	This course helps transfer students in their first year of college and builds a strong foundation for future academic success. Students not planning to transfer should consider taking GUID 50 & GUID 51.
GUID 103	This course helps students who may be undecided on their major and/or career goals and students who may want to evaluate whether a specific career(s) is right for them. Additional focus on professional development.
GUID 105	This course helps students who are preparing to leave VVC and transition to the 4-year or into the workforce. Additional focus on identifying personal and professional goals. Students seeking career and major exploration should consider taking GUID 103.
GUID 107	This course helps returning students, students who have taken a break from school, or students wanting to improve their learning strategies, motivation, and mindsets. Additional focus on current performance and strategies to increase effectiveness in college and life.
GUID 128	This course is offered as needed and covers special topics. Recommendations from students are welcome.

Programs of Study

- College Readiness Certificate of Career Preparation (<https://catalog.vvc.edu/degrees-certificates/guidance/college-readiness-ccp/>)
- New Student Onboarding Certificate of Competency (<https://catalog.vvc.edu/degrees-certificates/guidance/new-student-onboarding-ccy/>)

Program Learning Outcomes

Program Learning Outcomes (PLOs) are statements of the kind of learning a program hopes a student will achieve. The PLOs describe the knowledge, skills, problem-solving, communication and values that apply to all certificates and/or degrees within that program.

Upon completion of this program, students should be able to:

- Students will develop a major and career plan that aligns with their personal, career, and academic goals.

Guidance Courses

GUID 040 College Readiness (0.0 Units)

An introduction to college terms, support services, technology, and personal factors that contribute to academic success to help students make effective decisions regarding major/program of study. As a result of class activities, students will be able to utilize effective interpersonal communication skills to interact with peers and faculty on campus. Topics include understanding the differences between high school and college; students' rights and responsibilities; and how to access academic and student support services offered at Victor Valley College.
