

FORKLIFT CLASS I, II, & III CERTIFICATE OF COMPLETION

(Noncredit)

State Control Number: 43449

Program Code: CT.FOCL.I,II,&III.CCN

Approved for Federal Financial Aid: No

The goal of this certificate is for students to become certified in industrial powered truck classifications I, II, and III. Students will be able to communicate the essential skills and knowledge of industrial powered truck safety, in order to reduce and minimize the potential for forklift and material handling accidents. The certificate will cover the OSHA forklift safety rules, instructional videos, inspection procedures, and a written exam. This certificate will meet the OSHA required 8 hours of in-person instruction, with the additional hours held online as well as the lab session to complete a Forklift Operator Certification classes I, II, and III.

Total Certificate Hours: 28-31.5

Code	Title	Units
Required Courses
