

# ADMISSIONS AND REGISTRATION

For half a century, Victor Valley College has provided educational opportunities to students with courses and programs of study that meet students' diverse needs within the entire community.

While most students admitted come from within the Victor Valley Community College District, the College will admit students who live outside the District. Residents of the District may also apply to other California community colleges if they choose. Admissions procedures are basically the same for most students. However, some programs are considered impacted and may require special procedures and approvals for admission. Directors of the individual programs can provide application information.

Students who are eligible to attend the College must first be admitted to the College and then register for classes before the semester in which they start school.

## Eligibility

Admission to Victor Valley College is governed by the California Education Code and such supplementary regulations as having been prescribed by the Board of Trustees.

Students must meet one of the following criteria to be eligible for admission to Victor Valley College:

- California residents who have graduated from an accredited high school or who have passed the California High School Proficiency Examination or the General Education Development (GED) test.
- Previous students at Victor Valley College who left in good standing and who have not attended another college or university.
- Transfer students eligible to return to the college or university which they previously attended.
- Any apprentice, as defined in Section 3077 ([https://leginfo.ca.gov/faces/codes\\_displaySection.xhtml?lawCode=LAB&sectionNum=3077](https://leginfo.ca.gov/faces/codes_displaySection.xhtml?lawCode=LAB&sectionNum=3077)) of the Labor Code.
- Out-of-state residents who have graduated from high school.
- Foreign students who meet international student admissions requirements and apply by the current deadlines for International student admissions.
- California residents who are at least 18 years old but have not graduated from an accredited high school or passed a high school proficiency or GED test. These students must have previous training, work experience, or assessment results that demonstrate they would benefit from attending Victor Valley College.

## International Students

All International students must be at least 18 years of age at the time of registration for classes. An International student attending on a non-immigrant student visa (F-1) is required by the United States Immigration and Naturalization Service to maintain full-time student status. This requires the completion of a minimum of 12 units for each semester in attendance.

A certificate of eligibility for non-immigrant (F-1) student status will be issued by the Admissions Office only after the following documents are received and approved:

- International Student Application
- F1 Visa Student Agreement
- Financial Certification
- TOEFL minimum score of 94 Internet-based or minimum IELTS score of 7.0
- Health Questionnaire/Physician Report
- High School Transcripts
- College Transcripts (if applicable). Transcripts must include an official English translation by an approved evaluation service
- \$100 deposit

The California State Legislature sets tuition. For more information contact the Admissions & Records Office (<https://www.vvc.edu/admissions-records/>).

## Transcripts for Admissions

Transcripts showing work completed at other colleges and universities must be received by the Office of Admissions and Records no later than the end of the first semester of attendance.

Transcripts received become the property of Victor Valley College and cannot be returned to the student or forwarded to other schools.

Courses, units, and grades accepted from other accredited colleges and universities will be applied toward the completion of academic degrees or certificates at Victor Valley College.

An approved credential evaluation service must evaluate transcripts from foreign schools or universities. The Steps to Enrollment (<https://www.vvc.edu/steps-enrollment-students-residing-outside-us/>) page will provide a list of agencies offering evaluation services.

## Prerequisites, Co-requisites, Advisories

Victor Valley College enforces the prerequisites, co-requisites, and limitations on enrollment, which have been formally established and are listed in the class schedule and college catalog. In some cases, students will be responsible for submitting at the time of admission documentation that they have met all prerequisites. If you enroll in a course but do not meet the enrollment conditions, you will be dropped from the course.

- A "Prerequisite" is a course or other enrollment condition that a student must meet with a grade of "C" or better before enrolling in a course or program.
- A "Co-requisite" is a course that a student must take simultaneously to enroll in another course.
- An "Advisory" or recommended preparation is a course or other enrollment condition that a student is advised but not required to meet before or concurrent with enrollment in a course or program.
- "Limitations on Enrollment" are conditions for enrollment in courses, including honors, public performance or intercollegiate competition.

Any student who does not meet a prerequisite or co-requisite or who is not permitted to enroll due to a limitation on enrollment may seek entry into the class through initiating a challenge based on one or more of the following reasons:

- a. The prerequisite, co-requisite, or limitation on enrollment violates VVCCD Board Policy 4260 (<https://www.vvc.edu/sites/default/files/files/BP%204260.pdf>) or Administrative Procedure 4260 (<https://www.vvc.edu/sites/default/files/files/AP-4260.pdf>).
- b. The prerequisite, co-requisite, or limitation on enrollment violates Section 55003 of Title 5 of the California Code of Regulations.
- c. The prerequisite or co-requisite is unlawfully discriminatory or is being applied in such a manner.
- d. The student has the knowledge or ability to succeed without meeting the prerequisite, co-requisite, or limitation on enrollment.
- e. The prerequisite or co-requisite has not been made reasonably available, and the student, as a result, will be subject to undue delay.
- f. A limitation on enrollment will delay by at least one semester attaining a degree or goal specified in the student's Education Plan.
- g. Enrollment will not pose a threat to the student or others in a health and safety prerequisite course.

The Challenge Process requires the approval of a fully completed Challenge Form available from the Admissions and Records Office. Challenges involving academic qualifications, health and safety, or non-course prerequisites such as interview or regency require the approval of the chair of the department in which the course is offered. Challenges based on unlawful discrimination require approval by the VVC Affirmative Action Officer.

Late challenges will be considered, but enrollment will not be guaranteed pending their resolution.

For more details, contact the Office of Admissions and Records or the Counseling Office.

## Withholding of Student Records

Diplomas, and registration privileges, may be withheld from any student or former student who has failed to pay a proper financial obligation due

to the District. Diplomas and registration privileges withheld are released when the student satisfactorily meets the financial obligation.

The definition of proper financial obligation includes, but is not limited to: student fees; parking citations, obligations incurred through the use of facilities, equipment, or materials; library fines; unreturned library books; materials remaining improperly in possession of the student; and/or any other unpaid obligation a student or former student owes to the District.

A hold may be placed on a student's academic record and subsequent term registration when the student has an outstanding obligation to the District. Once the student satisfies the obligation, the hold will be released.

Students can take these courses at their high school or VVC, depending on the high school district and the college district's agreement.

### Dual Enrollment: College and Career Access Pathways (CCAP)

Assembly Bill No. 288 ([https://leginfo.legislature.ca.gov/faces/billNavClient.xhtml?bill\\_id=201520160AB288](https://leginfo.legislature.ca.gov/faces/billNavClient.xhtml?bill_id=201520160AB288)) - Established the College and Career Access Pathways (CCAP) partnerships between VVC and a local high school district. The class results will automatically populate to show only low and no cost classes.

### Zero Textbook Cost (ZTC)

This is a Zero Textbook Cost (ZTC) course. The total cost of required instructional materials for this course is \$0.

### Open Educational Resources (OER)

Open Educational Resources (OER) are teaching, learning, and research materials that are freely available or openly licensed so that everyone has permission to adopt, reuse, revise, or redistribute these materials. The total cost of required instructional materials for this course is \$0.

### Low Textbook Cost (LTC)

This is a Low Textbook Cost (LTC) course. The total cost of required instructional materials for this course is less than \$50.

## Program Changes (Adding/Dropping)

It is the student's responsibility to complete the drop and/or add process. Self Service is the system used for adding or dropping classes.

Students who want to add a class once classes have started should do so as soon as possible (see authorization codes for more information).

The deadline to add a class is strictly enforced. Late adds will be considered for verifiable extenuating circumstances only. Students must be registered in class before the census.

## Authorization Codes

If you are permitted to add a class by an instructor, an authorization code will be provided to you, and you will register with your code in Self-Service. View our registration support page for Self-Service instructional videos (<https://www.vvc.edu/register/>).

Once classes begin, registration fees are due within 24 hours of adding a course.

Note: Authorization codes are valid until the deadline to add classes. Instructor deadlines to use authorization codes may be earlier than printed class deadlines.

## Withdrawing from Classes

A student may drop or withdraw (or be dropped by an instructor) before the 75% point of completing the class. Students may not drop or be dropped after this point, and instructors must issue a grade if the student remains on the class roster beyond this point. A student who drops a class (or who is dropped by an instructor) on or before 20% of the course will have no record of that class appearing on their permanent transcript, although they may still be responsible for payment of fees. Drops that occur after 20% of the course and on or before 75% of a course will result in a W symbol being entered. Students may be dropped for lack of attendance or "good cause" as defined in California Education Code, Article 3, Section 76033 ([https://leginfo.ca.gov/faces/codes\\_displaySection.xhtml?lawCode=EDC&sectionNum=76033](https://leginfo.ca.gov/faces/codes_displaySection.xhtml?lawCode=EDC&sectionNum=76033)).

If you choose not to take the class, it is your responsibility to drop the class before the drop and refund deadline.

Important: Check Self Service frequently to see if you have moved from the waitlist to enrolled status.

**It is the student's responsibility to confirm enrollment and pay any additional fees.**
